

WP 0615

Boat Cleaner- Marine 100

Designed specifically for cleaning GRP fibreglass hulls on boats and yachts

BENEFITS

- Versatile hard surface cleaner
- Environmentally friendly, biodegradable and solvent free

DESCRIPTION

The Wessex formulation lifts off dirt, grime and grease to leave a shiny clean surface on fibreglass (GRP) hulls. Wessex Boat Cleaner is also effective on non-slip decks, metal parts and railings and teak decks.

Great at removing scum marks on hulls, black streaks and bird lime. Versatile and effective for superb results. Highly dilutable for great economy and value.

Wessex Boat cleaner is a water based mixture that is fully biodegradable and can be used for cleaning your boat in and out of the water without environmental concerns.

PHYSICAL PROPERTIES

Physical state: Liquid

Appearance: Yellow liquid.

Colour: Yellow.

Odour: characteristic.

Flammability (solid, gas): Non-flammable.

Density: 1.1 g/cm³

Solubility: soluble in water.

PACKAGING

1 Lt

5 Lt

INSTRUCTIONS FOR USE

Effective at dilutions up to 600:1 depending on severity of 'ground in dirt'.

Can be applied by sponge, mop or by pressure washer at all dilutions.

Vehicle Cleaning: Dilute as required up to 600:1 with water for great economy. Can be used with a pressure washer.

Boat Cleaner: Ideal for removing inlaid dirt from anti-slip surfaces. Can also be used where salt and seagull droppings are a problem. Harmless to aluminium and rubber so can be applied all over the boat

HEALTH & SAFETY

Warning

H319 - Causes serious eye irritation.

P264 - Wash hands thoroughly after handling.

P280 - Wear eye protection, protective gloves.

P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact

lenses, if present and easy to do. Continue rinsing.

P337+P313 - If eye irritation persists: Get medical advice/attention.
