

WP 1406

Canopy Cleaner

Designed specifically for cleaning boat and yacht canopies and covers.

BENEFITS

- Protects against UV fading
- Aids in removing dirt, grime, mould and oil
- Easy to use - simply spray and wipe without using water

DESCRIPTION

Effectively cleans off mould, dirt, grime, grease, bird lime and more from boat and yacht canopies and other marine craft covers.

After cleaning, Wessex Canopy Cleaner & Protector leaves a protective film to combat against regrowth, UV fading and to make future cleaning easier. Supplied in a ready-to-use formula. No need to mix with water, simply spray and wipe clean with a non-scratch cloth.

Can be used with one of our microfibre cloths for excellent results. Wessex Canopy Cleaner & Protector is a water based mixture that is fully biodegradable and can be used for cleaning your boat in and out of the water without environmental concerns.

PACKAGING

750 ml
3.25 Lt refill

INSTRUCTIONS FOR USE

Shake bottle well. Simply turn spray nozzle anti-clockwise into open position and spray onto surface to be cleaned. Immediately wipe clean with a non-scratch cloth. Preferably a microfibre cloth for best results. Use a second cloth to buff the surface to a shine (depending on material). A final spray can then be applied and left to create a protective barrier against all elements.

Do not mix with water as it will be less effective.

PHYSICAL PROPERTIES

Physical state: Liquid
Colour: Blue. milky.
Odour: characteristic.
Flammability (solid, gas): Non-flammable.
Density: 0,99 g/cm³
