*****All engines are serviced (or checked over if less than £250 or on brokerage)*****

All Seamark Nunn engines (except Brokerage sale motors) are serviced or checked over and are covered by our 6 month back-to-base warranty, as with the manufacturers warranty cover it only covers failures that are the engines fault and no associated costs.

Brokerage** engines are being sold on a customer's behalf – These engines will still be tested but will not be serviced.

All ages, manufacturer warranty durations and "hours used" are approximate but to the best of our knowledge.

For further information, please call: Tel: 01394-451000 / outboards@seamarknunn.com
